PAGE 1
1. Title Slide
   a. Project Title
   b. Our names
   c. Our logo (ek baari check this)

PAGE 2
1. Agenda of this presentation
   a. Why Travel Diaries?
   b. objectives/what we want as an output from our project:
      i. The experience of developing a working web application.
      ii. Team work
      iii. Succinct communication
      iv. Working with APIs
   c. Communicating our failed attempts.
   d. Communicating our progress

PAGE 3
WHY TRAVEL DIARIES?
1. Same as in bootcamp presentation
   But only in 1 sentence, maybe ask chatgpt to reduce it.
2. This time we'll also add how this project will help us like how we(all our team members) were new to web Dev and then we were exposed to the world of web development.
3. Also add some more Gowshika you can brainstorm here.

PAGE 4
Objectives: here we'll add all the points that were mentioned on page 2
I mentioned those points there just for reference, but we'll put them here.

Page 5: Functional
Non functional

DEMO

PAGE 5
Project Timeline
July:
Methodology adopted:
What was wrong in the methodology:
How we improved:

August:
Same as in july
